

Ugyen Dorji

Civil Engineer

Ugyen Dorji (Dr) is an Assistant Professor in the Department of Civil Engineering at the College of Science and Technology (CST), Royal University of Bhutan (RUB), since January 2003. He received his PhD in Environmental Engineering (with a focus on wastewater engineering) from the University of Technology Sydney (UTS), Sydney, Australia, in 2021, and his Master in Science in Engineering (MScE) in Civil Engineering (with a focus on Construction Engineering and Management) from the University of New Brunswick (UNB), Fredericton, Canada, in 2007, and his Bachelors in Civil Engineering from the Visvesvaraya National Institute of Technology (VNIT), Nagpur, Maharashtra, India, in 2002. Dr. Ugyen is specialised in wastewater engineering with a focus on improved on-site sanitation systems in limited urban plots. Besides teaching work, he had worked as the Dean of Research and Industrial Linkages (DRIL), Head of the Civil Engineering Department, Construction Manager, Resource Person, and College Academic Committee (CAC) member.
